## **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

„ The allowability of subject matter in claims 12-14, 19-26 and 31-42 was indicated in the last Office action. The prior art fails to teach or to render obvious an electroluminescent device comprising at least one organic layer in which a metal halide compound, which changes luminescent color produced by the device, is dispersed. The prior art further fails to teach this feature in combination with the other limitations of independent claims 12, 13, 19, 23, 31, 35, and 39. Accordingly, claims 12-14, 19-26, and 31-42 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dawn Garrett whose telephone number is (571) 272-1523. The examiner can normally be reached Monday through Friday.
